Mr. MIRZA M. AZEEZULLA BEIG.—Why was interest amounting to Rs. 9,950 allowed to remain unspent?

Construction of a Tank across the Jayamangali River.

Q.—18. **Mr. G. RAMIAH** (Koratagere Taluk).—

Will the Government be pleased to state:—

(*a*) whether the raiyats of four or five villages have not petitioned Government praying for the construction of a tank across the Jayamangali River near Yelerampura, Koratagere Taluk;

(*b*) whether they have not issued an endorsement to the raiyats that they would examine the petitions, find out the necessity of a tank there and cause an estimate to be prepared for its construction;

(*c*) whether they are aware that no tank across the river exists, other than Dharmasagara which is silted up;

(*d*) whether the Dharmasagara tank will not be discharging seven or eight feet above the waste weir level throughout the rainy season due to the on-rush of the river water;

(*e*) whether the excess water will not flow into the British boundary without any use to the people of the Mysore State;

(*f*) whether they are aware that the Jayamangali River is causing much damage to the gardens and lands around Yelerampura and other villages on account of the heavy floods every year;

(*g*) whether the construction of this tank will not bring an additional extent of about 400 acres under irrigation and also benefit the *atchkatdars* of Dharmasagara tank (which is being silted up) by the extra storage of water received in it through a *halla*, and will this not save the cost that may be incurred by Government towards the extension of Dharmasagara tank?

A.—**The SECRETARY to GOVERNMENT, PUBLIC WORKS DEPARTMENT (Mr. N. Sarabhoja).**—

(*a*) The answer is in the affirmative.
